

FLEXCOB

LED Flexible COB Strip Light

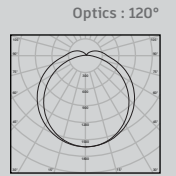

DALI | ON/OFF

Wattage Range : **5W - 21W**
 Lumen Range : **450 - 1890lm**
 CCT : **2700K-6500K**
 CRI : **80/90**
 IP Rating : **IP20/IP65/IP67**
3 Step Macadam
 Material : **PCB + Silicon/PU**
 Lifetime : **L70>50,000 hrs**
 Voltage : **DC24V/48V**

Wattage	W	H
5W	8/10	1.8
10W	8/10	1.8
15W	8/10	1.8
21W	10	1.8

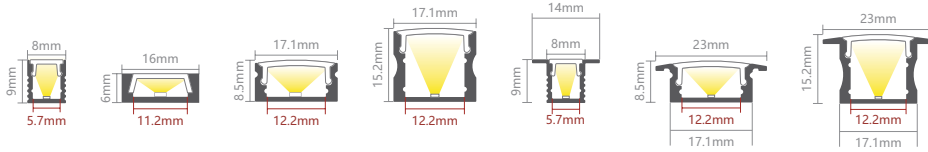

Application

LED COB (Chip on Board) Strip Light is a high-performance linear lighting solution designed to deliver smooth, continuous illumination with superior uniformity. Featuring densely packed LED chips mounted directly onto the strip, COB technology eliminates visible LED dots, creating a seamless line of light with excellent visual comfort.
